Swarnandhra @ 2047

Swarnandhra @ 2047

"Everywhere is Happiness,
and People Love each other,
India is Free Of Hunger and Fear,
It is a vision of my India 2047" ✓

After 25 years will be celebrate
100th Anniversary of Independence 2047. I would
like to share my vision of India 2047.

"Developing to Develop is the Journey
of Nation. I to me and my to Our is the
key of this mission 2047.

In a country "where there is equality
in all the gender there is a witnessess of
progress"

Swarnandhra @ 2047 is a vision of Andhra Pradesh's bright future. It would be unveiled on November 1st as a part of Vikasit Bharat @ 2047. By 2047, I envision Swarna Andhra as a shining example of progress and happiness. Here is how -

Innovative Economy:-

Swarnandhra will be a hub for new ideas and business. Our entrepreneurs will create jobs and wealth, in making our state a leader of India, we will support startups and innovation centers.

Quality Education and Health Care:-

Every child have access to excellent schools and colleges, our hospitals will provide care and health care, health care will be affordable for all.

Technology and Digitalization:-

We will Develop IT hubs and startups, promote digital literacy implement e-governance, enhance Cyber security and Artificial Intelligence [AI] integrity to race growth and Innovation and connection.

Efficient Transportation:-

We will Develop -

- * World high-class Roads and highways.
- * Advanced public Transportation System
- * Electric vehicles
- * Expand Rails and metro Network.
- * modern sea ports and Air ports.

Tourism Development:-

All the visitor from India and Abroad will come to enjoy our beautiful, beaches, Ancient Temples, vibrant culture and delicious cuisine, this will create Jobs and showcase rich heritage.

Sustainable Agriculture:-

Our farmer will use modern methods to grow more crop, reduce waste, and preserve water, this will ensure food security and prosperity for farming families.

Regional Corporation:-

We will work closely with neighbouring state and countries to boost trade, share knowledge and provide piece

Together we will build brighter future for swarna Andhra and India.

Renewable Energy :-

Solar wind and hydro energy will light up our houses and Industries, we will reduce the dependence of fossil fuels, to protect our Environment.

poverty Eradication:-

No one will go hungry or homeless we will provide support and training to help people rise out of Energy.

Climate change and Mitigation:-

We will plant millions of Trees, promote Eco-friendly practices, Reduce wastes and we will use clean energy, to protect our planet from pollutions for future Greener generations.

Drug controls:-

We will educate youth people that the hazardous and dangerous of Drug Abuse. Drug Abuse is also have Dangerous effect on future generations.
